TERMS & CONDITIONS

- Payment must be made prior to **ALL** distribution with no exceptions.
- We accept cash, credit cards (via PayPal – additional transaction charges apply), cheques, bank transfers (as long as they have cleared by the deadline) and BACS payments (please enquire for bank details). If online payments are made on the same day as the deadline, then we will require a proof of payment.
- The deadline for the delivery of flyers, schedules and payment is:

THURSDAY EVERY WEEK AT 6PM

- There is a late payment charge of **£5** per flyer per event if any of the above arrives after the deadline. Please contact us if you can't make the deadline and we will do our best to accommodate.
- A completed copy of your schedule must be emailed back to us. When we have received this we can tell you how many flyers you will need to cover the events that you have chosen – every event is different. Please send your schedules to: schedules@outrageouspromotions.co.uk
- Need help deciding what's best to cover on the schedule with your flyers? No problem – just contact us and we can put a schedule together for your approval. All we need to know is how many flyers you have available and what your budget is for the campaign.
- Flyers/promotional material must be no bigger than **A5** to fit in the club/student packs. If your flyer/promotional material is bigger than this size, then they can still be put in the packs but they will need to be folded prior to packing at an additional cost. Please contact us for a quote on this.
- Once the deadline has passed, the shop drop will be completed between Friday and Monday each week and the dates in the table above reflect this.
- The packs will be given out to people leaving the events at the time we feel the most amount of people will be leaving – this may not necessarily be the end of the night. In some circumstances, we may decide that it is more effective to cover the cars outside the venue.
- **ALL** flyers must be delivered to:

Esther Campion,
82 Roundlea Rd, Northfield, Birmingham, B31 1BG
Tel: 07779 390 889
Email: deliveries@outrageouspromotions.co.uk

- If flyers are being delivered by hand, they can be dropped off at any time and left on the pallet by the side of the house. If it is raining, there are bin-bags available to cover boxes of flyers.
- If flyers are being sent by courier, then you must request that the courier leaves the flyers on the pallet by the side of the house and state that **NO SIGNATURE IS REQUIRED** for the delivery. There is a signed note on the door stating this which can be taken as proof of delivery.
- **ALWAYS** contact Esther either by phone or email before you are sending flyers by courier, so she knows to expect them and then can confirm with you that they have arrived ok.
- If you are delivering cash, please put it in an envelope through the door, stating on the front who the money is from and for which flyer it relates to. We will acknowledge receipt of all payments.
- If you have any further questions about Outrageous Promotions then please contact **Andy** on: **07973 416 290** or email: andy@outrageouspromotions.co.uk
- If you need any flyers printed then please contact **Susan @ Street Print** - her email is susan@shopprint.co.uk and their shop is in the Custard Factory. You can visit their website to see what other services they offer at www.shopprint.co.uk
