- We accept cash, cheques (as long as they have cleared by the deadline), bank transfers (as long as they have cleared by the deadline) and BACS payments (please enquire for bank details). If online payments are made on the same day as the deadline, then we will require a proof of payment emailed to us.
- The deadline for flyers, schedules and money is:

THURSDAY EVERY WEEK AT 6PM

- There is a late payment charge of **£5** per flyer per event if any of the above arrives after the deadline. Please contact us if for any reason you can not make the deadline.
- A completed copy of your schedule must be emailed back to us. When we have received this we can tell you how many flyers you will need to cover the events that you have chosen.
- Need help deciding what's best to cover on the schedule with your flyers? No problem – just contact us and we can put a schedule together for your approval. All we need to know is how many flyers you have available and what your budget is for the campaign.
- Flyers/promotional material must be no bigger than **A5** to fit in the packs. If your flyer is bigger than this size, then they can be folded prior to packing at an additional cost. Please contact us for a quote on this.
- Once the deadline has passed, the shop drop will be completed on the Friday, Saturday, Sunday or Monday each week and the dates in the table above reflect this.
- The packs will given out to people leaving the events at the time we feel the most amount of people will be leaving – this may not necessarily be the end of the night. In some circumstances, we may decide that it is more effective to cover the cars outside the venue
- Delivery address for **ALL** flyers is as follows;

- **ALWAYS** contact Esther either phone or email before you are sending flyers by courier, so she knows to expect them and then can confirm with you that they have arrived ok.
- If you are delivering cash, please put it in an envelope through the door, stating on the front who the money is from and for which flyer it relates to. We will acknowledge receipt of all payments.
